

# Meet Caitlin Howell, TAG Experience Manager

Caitlin is the Office and Client Experience Manager here at TAG and is kept busy ensuring that our team, and our office function everyday as a well-oiled machine.

No day is the same for Caitlin, but she enjoys the variety! While a lot of her work happens behind the scenes, she also loves to get to know our customers and plays a crucial part in ensuring your experience with TAG is a positive one!

Outside of the office Caitlin enjoys being outdoors, if the sun is shining, you'll likely find her at the beach, exploring somewhere new with her two dogs or spending quality time with family.
